

Welcome to the WESCT August 2021 newsletter.

As locals, the WESCT Trustees are proud to own The Lines Company (TLC) on behalf of you, its customers—helping to ensure benefits like discounts on your bills and jobs for locals can continue to help people in our community.

News

August 2021

After a particularly busy year, TLC has produced a result which it can be very proud of.

We are looking forward to celebrating this success at the upcoming WESCT Annual Meeting, being held at 6pm on the 21st of September 2021 at the Panorama Motor Inn, 59 Awakino Rd, Te Kūiti.

The meeting will provide a forum for the WESCT trustees to present the combined accounts of WESCT and TLC for the 2020/21 financial year, which ended on the 31st of March.

There will also be a presentation from Sean Horgan, CEO of TLC, covering the year's highlights, time for questions, and the opportunity to discuss the topics covered during the evening.

TLC directors, senior management, and the entire TLC team have worked extremely hard in a demanding year, including the COVID-19 lockdown, bedding in the recently-purchased Trustpower metering business, completing some small metering business acquisitions and negotiating the sale of TLC's hydro assets. Everyone at TLC has worked tirelessly to ensure

our community remains not only well connected to the network but also supported in a number of other ways. This support is now being repeated as we write this newsletter.

We look forward to seeing you at the annual meeting to share the many high points of the past financial year and relaxing over a cuppa afterwards. In the meantime, we wish you all good health in these uncertain COVID-19 times.

Look after each other and keep safe.
