WESCT Annual Meeting — Change of Venue to Les Munro Centre

Subject to our COVID-19 lockdown status, it's not long now until the WESCT Annual Meeting — we'd love to see you at the Les Munro Centre, 8 King Street East, Te Kūiti, on Tuesday 19 October at 6pm.

If we go back down to level 2, the meeting will proceed with social distancing measures in place.

If we stay in level 3, then we will need to postpone again. The evening will cover the highlights of The Lines Company's recent performance and other current issues, with the opportunity for questions and discussion.

Inspiring Local Minds Scholarships

WESCT Trustee Cathy Prendergast was recently involved in the selection panel for TLC's Inspiring Local Minds Scholarships, which are awarded to some exceptional local school leavers.

WESCT is proud to support the scholarship programme, which assists young people in pursuing education or trade training and supports them to eventually bring their skills and qualifications back into the King Country and make a positive contribution to our region.
